Dara Horn's novel

“ALL OTHER NIGHTS”

Moderated by Amy Kaplan, Librarian at Congregation Beth El

Based on real personalities and historical events, *All Other Nights* is an absorbing page-turner about Jewish life during the American Civil War. This gripping and suspenseful novel tells the story of men and women driven to the extreme limits of loyalty and betrayal. It is also a brilliant parable of the rift in America that lingers a century and a half later: between those who value family and tradition first, and those dedicated, at any cost, to social and racial justice for all.

Books are available in advance at time of registration.
