

Shine at the Shore

EVENT SPONSORSHIPS

Shine at the Shore will bring together generations of women in the spirit of giving back and celebrating their Jewish heritage. Born and raised in Brooklyn, Freida Rothman is a second-generation jeweler, a mother of five, and an entrepreneur striving to remind every woman of her inner strength. Inspired by the legacy of four grandparents – all Holocaust survivors – Freida’s designs honor strength and resiliency through contemporary pieces that reflect her native Brooklyn. Marketing for this event targets our entire South Jersey community, reaching 7,700 social media channel followers, 17,500+ email newsletter subscribers, 5,000+ households through the Jewish Community Voice’s print newspaper and 13,000 unique visitors to the paper’s website per month.
