

# Jewish Professional Network (JPN) ANNUAL SPONSORSHIPS

**JPN** Jewish Professional Network  
A PROGRAM OF THE JEWISH FEDERATION OF SOUTHERN NEW JERSEY

The Jewish Professional Network of Southern New Jersey (JPN) provides an opportunity for career growth that aligns with Jewish values and strengthens our community. Members will connect with other professionals through networking events that offer unique opportunities for education, advocacy, volunteerism, and philanthropy.

JPN currently houses the Jewish Business Network (JBN) of Southern New Jersey, as well as affinity groups for professionals at all career stages in the health care, legal, and real estate industries. More affinity groups may be added in the future depending on community interest. JPN is a hub to make new business contacts, increase sales, meet potential partners, pursue career opportunities, and recruit new employees. All meetings and events hosted by JPN and its component affinity groups are open to all JPN members.
